

Eventsec Limited consider the quality and environmental aspects of our operations to be of primary importance to the successful management of the company. We recognise that our operations have an impact on the environment we are committed to managing and controlling our environmental impacts in ways that are both socially and economically justified. We are committed to the continued growth, the continual improvement of our Quality and Environmental Management System and in satisfying applicable requirements, including statutory and regulatory.

We recognise that reductions in waste, and improvements in process understanding and compliance, will help to ensure the sustainability of our organisation; as will the maintenance of our organisational knowledge for the consistent provision of product and service, and for business continuity purposes.

The nature of the organisations business means that our operations **DO NOT** have a significant impact on the environment the main area we have an impact on the environment is: **Vehicle Emissions**

Quality and Environmental objectives will be set to support this policy, and the organisation's changing context. These will be reviewed at regular top management's update meetings.

We are committed to enhancing customer satisfaction and our environmental performance through the effective application of our Quality and Environment Management System, and with it a socially responsible attitude to the services, throughout relevant locations and business operations.

In order to achieve and support the above policy statement, the company shall introduce and maintain a quality management system compliant to the requirements of **BS:EN ISO 9001:2015, BS:EN ISO 14001:2015, BS 7499 for Static Guarding, BS 8406 for Event Stewarding, BS 7858 for Security Screening, BS 7960 for Door Supervision, PSA 28:2013 & PSA 39:2014** and be subject to regular audits by independent parties and subject to regular review at senior management level.

As Managing Director I take full responsibility to ensure that this policy is communicated, implemented throughout the organisation and available to any other interested parties.
